

# Our Doors are Open to the Possibilities

## The Youth Center has time slots and space for lease.

**O**ur 7,000 square foot facility offers a variety of RENTAL options. Perfectly suited for: preschool, daycare, special needs programs, church/worship, religious programs, basketball and many other sports for children and adults, general meetings, movie nights and many other options – bring your ideas! We have a 2 story building; the top floor boasts a lovely gym with a parquet floor, basketball goals (permanent and adjustable) carpeted walls, high ceilings and a stage great for displaying talent. On our 1st level we have restroom facilities,

a complete kitchen, offices, with an available furnished office, and a large activity room. Our activity room lends itself nicely for programs for children or adults as a perfect classroom/meeting area. Both floors and bathrooms are handicap accessible.

Outdoors we offer a large pavilion attached to the building, a picnic grove with ample picnic tables on both. We also have 3 age appropriate playgrounds: one for 2½ years old, one for 5–12 years old and a splash pad with a

frog that shoots water for summertime fun suitable for all ages.

Currently a licensed day camp, DDD approved for special needs programs and previously a licensed day care center, this facility is up to date and ready to expand on its offerings.

Flexible options available. Reasonable rental fees to accommodate all budgets! Please call Colleen at (908) 537-4594 or email her at [treeround@embarqmail.com](mailto:treeround@embarqmail.com) to discuss details.
